

D-Link Corporation Press Conference Inauguration of New Chairman

D-Link Supports Apple HomeKit in Building Future Smart Home Environments

- The global market for smart homes is quickly expanding. According to statistics, in 2016, the market reached 24.1 billion US dollars, and the compound annual growth rate in the next 5 years is expected to reach 14.5%.
- At WWDC 2016 in San Francisco, Apple announced its partnership with multiple global brands, including D-Link.
- D-Link fulfilled market expectation early 2017 by launching the Omna 180 HD Camera.
- There will be more Omna series products in the future, creating convenience in smart homes.

180 CAM HD

Omna 180 Full HD Wi-Fi Camera

- D-Link launched the first and only camera that supports the Apple HomeKit smart home platform.
- 180° ultra wide angle lens offers a new wide-angle that you have never experienced before.

ONE OF THE FAMILY
OMNA IS ALWAYS HOME

Omna Global Presence

D-Link's Omna 180 Full HD Wi-Fi Camera is currently being sold at Apple stores and on Apple Online in 30 different countries.

"The D-Link Omna 180 Cam HD comes as a great piece of equipment for offering tight security capabilities without having to rely on traditional methods on the market."

"...the HomeKit dream – all of your smart heating, lighting and home security working together seamlessly in one app – is finally starting to come together thanks to gadgets like this."

By Trendhunter, Canada

"The first official HomeKit camera on the market fills a much needed gap in Apple's smart home lineup, and it's a solid product to boot."
